Saint Matthew Ecumenical Catholic Church

Welcome!

October 31, 2021 - The Feast of All Saints and All Souls

Question: What's the difference between All Saints Day and All Souls Day?

Answer: All Saints Day, which falls on November 1, is set aside to honor church members believed to have gone to heaven (the Saints). All Souls Day which falls on November 2, was created to commemorate those who have died (the Souls). Catholic doctrine teaches that intercessions (prayers) by earthly church members can cleanse these departed souls and prepare them for heaven. We at Saint Matthew celebrate both days together, honoring the Saints and the Souls that have gone before us.

SAVE THE DATE!

On **November 14th** we will be celebrating 36 years of our church, Saint Matthew. In honor of this celebration we will be having our **UNITY MASS**, which was a great success back in August. Please come and support your church home with all of your brothers and sisters!

MASS will be held at 10:30am on this Sunday.

On Wednesday, November 3rd at 7pm, at the AMC Orange 30 Theatre, a new film will open. All are invited including any of your resident atheists or agnostics or those among your friends, who will appreciate the genius and educational accomplishments of C. S. Lewis: What he gave to the world in his imagined other worlds in *Chronicles of Narnia* vividly depicted spiritual conflicts and perspectives which can be appreciated by those of faith as well as those who remain skeptical. This is an event that is appropriate for youths from age 12 up, and we strongly encourage youth as well as others to attend. Cost is \$15 per ticket but if there are folks who want to come who cannot afford it, let us know and we will work it out. Please make reservations through Reverend Martha, email, Reverendmartha@saint-matthew.org or phone or text to 714-606-4365.

+++++ Saint Matthew's Social Justice and Outreach Ministry collects food and toiletry donations weekly at the 9:30am and 12:30pm Masses.

Please leave your food donations under the offering table at both masses.
