This Gospel reminds us of two things. First of all the disciples asked Jesus how to pray and he gave them a model we call the

Our Father. Jesus gave the disciples a form of prayer that praises and petitions God. Next there was the example of a friend who came in the middle of the night to another's house asking for bread. The visitor awoke his friend with a plea for bread, but the sleeping friend did not want to be disturbed.

Perhaps it would not be their friendship that got the first man his loaf of bread, but his persistence. So, the only way to continue his night's sleep was for the second man to give his friend the bread. In this parable, Jesus made clear that we need to be persistent in prayer.
